When determining policy priorities:
Elected Officials are requested to consider the Students' concerns.

- Elections and Balloting issues can occur in the final session; however, additional issues may arise that were not discussed during the previous session. After the completion of the final session, any new issues must be included in the final agenda.

- All issues tabling votes must be included in the final agenda. If fewer than seven issues are reported per the agenda, then those issues will be the only issues considered during the vote of the final agenda.

- Each student can cast up to 3 votes. The votes can be cast towards a candidate or a political party, but not towards other candidates or other parties.

- Each vote is equal, regardless of the number of votes each student in the caucus has tabling.

- Candidates who have announced their candidacy will not be able to run for any elected position. Candidates who have announced their candidacy will not be able to run for any elected position.

- Once an issue has been voted on, the issue will not be discussed again.

- If an issue is tabled, then the issue will not be discussed again.

- Each student is allowed to nominate only one (1) issue, but no multiple nominations can be made.

- Each student’s vote can only be used for one (1) issue. The student's vote cannot be used for more than one issue.

- Each Student's vote will be used for the final voting session.

- Student Preferences will affect the Student’s votes for presentation at each convention.
